Dear Manager,

Congratulations! Scampi has been nominated to be included in Elite Dining's 2002 National Directory of "Neighborhood Favorites". This award is given to restaurants that are favorites of the local community. Your broad menu, warm atmosphere, and gracious staff have made your restaurant a town institution and earned you this special recognition for the recent year ended.

Elite Dining is a national organization dedicated to researching and recognizing highly rated eating establishments. When appropriate, this information is supplied to local concierge service providers and newspapers.

Being selected to receive the Neighborhood Favorite Award is a tribute to the excellent job you have done managing Scampi. Because of your efforts, your establishment has become a signature of your community. We, at Elite Dining, congratulate you on this honor! We realize that running a successful restaurant is a daunting task, which requires a great deal of commitment. It gives us great pleasure to acknowledge your effort.

To accept this award and have your name published in our directory, please sign the enclosed Restaurant Data Form and return it to Elite Dining headquarters. There is no charge for this service.

Once again, congratulations on your success and on being selected as a 2002 "Neighborhood Favorite"! Be sure to feature this award on all of Scampi's promotional materials as well as on your personal résumé.

Best of luck to you in the future.

Cordially,

Andrew Miller
